Building a Better Tomorrow

INTRODUCTION

Established in 2015, Samvedna Educational Society is a Non-profit organization committed to empowering communities through **education**, **skill development**, **career counselling**, **healthcare**, and **livelihood** initiatives.

Working at the grassroots level, we strive to create opportunities that enhance employability, improve well-being, and promote sustainable development. Through community-driven programs and partnerships, we continue to make a meaningful impact across rural and urban areas of Jharkhand.

VISION

To empower individuals through **Education** and **Skills**, enabling them to lead self-reliant, productive, and dignified lives.

MISSION

To deliver accessible, quality **education** and **skill development** programs that empower individuals to achieve self-reliance, dignity, and meaningful contributions to society.

Building a Better Tomorrow

OUR STORY

Since 2015, Samvedna Educational Society has been committed to empowering individuals and strengthening communities across Jharkhand through **education, skill development, career counselling, and social welfare initiatives.**

Founded with the vision of creating opportunities for sustainable growth, we have worked tirelessly to **bridge gaps** in education, employability, and access to essential services.

Over the years, our programs have positively impacted **thousands of beneficiaries** through vocational training, career guidance, employability enhancement, and community development activities.

Our work also extends to **healthcare and awareness initiatives** in rural areas, helping improve the well-being of underserved communities.

Guided by the belief that lasting change begins at the grassroots level, we continue to collaborate with communities, partners, and stakeholders to build a more **educated, skilled, healthy, and empowered** Jharkhand.

Building a Better Tomorrow

MESSAGE FROM CHAIRPERSON

Since its establishment under the Societies Registration Act, 1860, our Society has been dedicated to serving communities and creating meaningful change in the lives of people.

Guided by compassion and a strong sense of social responsibility, we continue to work towards building an inclusive and empowered society where no one is left behind.

Our efforts focus on key areas such as education, healthcare, women empowerment, environmental conservation, and support for underprivileged communities. Through these initiatives, we aim to inspire hope, encourage self-reliance, and contribute towards sustainable development.

As Chairperson, I believe that collective efforts can bring lasting transformation. I encourage every individual, especially the younger generation, to participate in welfare activities and contribute towards the betterment of society. Even small acts of kindness can create a significant impact.

Building a Better Tomorrow

METHODOLOGY

At Samvedna Educational Society, our approach is rooted in understanding the real needs of communities and delivering practical, sustainable solutions.

1. NEED ASSESSMENT

We engage with local stakeholders, educational institutions, youth, women, and community members to identify gaps in education, employability, healthcare, and livelihood opportunities.

2. PROGRAM DESIGN & IMPLEMENTATION

Based on these insights, we design and implement targeted interventions such as skill development programs, career counselling sessions, employability training, health awareness initiatives, and community development activities.

3. MONITORING & FEEDBACK

We continuously monitor outcomes, gather feedback from beneficiaries, and refine our programs to maximize impact.

4. PARTNERSHIPS & COLLABORATION

Through strong partnerships with government agencies, educational institutions, corporate partners, and local communities, we ensure that our initiatives remain relevant, inclusive, and scalable.

5. EMPOWERMENT & SUSTAINABILITY

Our focus is not only on creating opportunities but also on fostering self-reliance, dignity, and long-term community empowerment.

Building a Better Tomorrow

OUR FOCUS

At Samvedna Educational Society, our efforts are guided by a commitment to creating **sustainable and inclusive development** opportunities for underserved communities. Through education, skill development, career counselling, healthcare initiatives, and livelihood promotion, we **empower individuals** to realize their full potential and lead dignified lives.

Our programs are aligned with key **Sustainable Development Goals (SDGs)**, particularly **Quality Education, Good Health & Well-being, Gender Equality, Decent Work & Economic Growth, Reduced Inequalities, and Partnerships for the Goals.**

By fostering knowledge, employability, and community well-being, we strive to contribute to a more **equitable, resilient, and prosperous** society.

OUR IMPACTS

Construction of Badminton courts in 5 Government Schools

Through the CSR partnership with **Air Water India Pvt. Ltd.**, Samvedna Educational Society successfully developed badminton courts in five government schools, creating access to quality sports infrastructure for **over 500 students** in rural and semi-urban communities.

The initiative significantly increased student participation in sports and extracurricular activities while promoting **physical fitness, discipline, teamwork, and leadership skills**.

The availability of standard badminton facilities has fostered a culture of **active learning** and **healthy lifestyles** within schools. Teachers observed improved student engagement and enthusiasm, while school authorities appreciated the enhanced infrastructure.

The project also created opportunities for identifying and nurturing **grassroots sporting talent**.

By strengthening school sports ecosystems, the initiative has contributed to the **holistic development** and **overall well-being** of students, reinforcing **Air Water India Pvt. Ltd.**'s commitment to sustainable community development.

Building a Better Tomorrow

Installation of Solar Street Lights

The project improved street lighting in **Adityapur Industrial Area Phase-1**, benefiting residents with **better visibility, safety**, and reduced reliance on conventional electricity. It promoted **renewable energy use**, **enhanced security and mobility**, and **reduced carbon emissions**.

Completed within timeline, it strengthened infrastructure and reflects Metafab Industries' commitment to **sustainable development** and **community welfare**.

Improved Visibility & Safety

Better lighting for safer streets and peace of mind.

Promotes Renewable Energy

Harnessing solar power for a cleaner, greener future.

Enhanced Security & Mobility

Safer environment and ease of movement for all.

Reduced Carbon Emissions

Contributing to a healthier planet and sustainable future.

Strengthened Infrastructure

Building resilient communities for lasting impact.
